

FAASTeam presents:

ADS-B and Me

Come learn about ADS-B / NextGen Aviation and how you can prepare yourself and your aircraft to take advantage of this important enhancement to our national airspace that is now operational. This is avionics news you can use from experts. In this session, you'll learn what's behind ADS-B – why it matters and how it works. You'll learn about the ADS-B System and the FAA Mandate for ADS-B Equipage. The session addresses various myths about the topic. A major focus of the session is to cover practical things you should consider as you think about how to equip your aircraft to comply with the FAA Mandate for ADS-B equipage.

Directions: This meeting will be held at the Million Air FBO at Stennis International Airport in Kiln, Mississippi. Take the main airport entrance which goes directly to the Million Air facility. Enter through the main lobby door and proceed to the upstairs conference room. The Million Air FBO can be reached at 228-463-2389.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
